# Section D: School Fee Policy

Acts House of Education is a registered NPC (Reg No: 2015/425722/08) that relies on the prompt payment of school fees to uphold all operational functions of the organization.

- 1.1 **A non-refundable registration fee of R600 per Student is payable with a new application.**
- 1.2 **A non-refundable utility fee of R5 000 is payable per Student upon acceptance of a new student.** If, subsequent to entering into this Contract, the Learner does not take up a place at the school (save for by reason of death or long-term hospitalisation) the Parents will not be refunded the utility fee. The utility fee will be kept by the school as a reasonable cancellation fee for the learner's withdrawal.
- 1.3 An offer of a place for a learner at the school is accepted by the Parents signing this contract. One month's installment of tuition fee (based on the fee option selected) and the utility fee per student is payable upon acceptance.
- 1.4 Students are strictly prohibited to pay school fees at the office on behalf of their parents/guardians. The school does not take responsibility for fees sent to school with a student and will not issue a receipt.
- 1.5 The school will NOT accept any uniform payments. Uniform payments that are made to the school account will not be refunded, but rather used as credit toward tuition fees.
- 1.6 School fees are payable, in advance, **before the 1<sup>st</sup> day of each calendar month**. Fees are payable by debit order, EFT or Credit Card. Acts House of Education does not accept cheques.
- 1.7 A statement will be issued to update you on your current balance and remind you of any outstanding amounts, or interest incurred on overdue accounts.
- 1.8 Accounts not paid within 30 days become subject to prime interest rate.
- 1.9 A first notice of payment will be issued after 30 days outstanding. If after 90 days your account is still not settled, it may result in your account being handed over for debt collection. During the 30–90-day period the debtor will be liable for all additional costs incurred related to debt collection.
- 1.10 Any unpaid debit orders will be charged to the account holder to cover any costs incurred by the school.
- 1.11 If the deadline of 31 January has not been met for Plan A payments, the Plan A option will automatically default to the Plan B option of 11 months in advance payments. **For Plan A payments, if the learner is transferred during the year or the contract is terminated, then the discount amount given at the beginning of the year will be removed and the balance of the payment will be refunded taking into account any other arrear amounts reflecting on the statement.**
- 1.12 **Debit orders are COMPULSORY when choosing Plan B (11-month option).**
- 1.13 The Parent is entitled to elect (at enrolment and/or by 01 November of the previous school year) whether to pay school fees annually, termly or monthly. The total costs of which will be set out in a fee structure and communicated to you on enrolment and in advance of any increase in school fees. **Ancillary charges e.g., outings, in-visits, robotics/IT levy etc. will be added to your school account as monthly payments, however the parent can choose to pay these items once off or termly. The school office can be contacted to make the necessary changes.**
- 1.14 The Parent has a right to cancel this contract at any time, for any reason, provided that the parent gives the school ONE CALENDAR MONTH'S (from 1<sup>st</sup> to the last day of the month) NOTICE PERIOD IN WRITING, before the withdrawal of the learner from the school. **A Student Exit Form must be completed which will be considered as the official notification for termination of the school contract with Acts House of Education. Without the completed Student Exit Form being returned to school, the school cannot process the termination request.**

- 1.15 A month's fee is payable to the school in lieu of notice. Such an amount is due and payable on the first day of the month which would be the final month of schooling if the appropriate notice had been given. Should the Parents have elected to pay any additional fees in advance, those fees will be credited in proportion to the months used/remaining, less any amount payable in lieu of the appropriate notice and any other outstanding balance as per the statement. In the case of Plan A once off tuition fee payments then item 1.11 above will be implemented.
- 1.16 The Parent will be responsible for the payment of school fees until the termination date indicated on the Student Exit Form, even if the child leaves before the notice period is up. Any School records will not be forwarded to the new school until payment of all outstanding amounts are paid in full or a payment arrangement has been made with the School's Business Manager.

**Please send any school fee inquires to [accounts@actshouse.com](mailto:accounts@actshouse.com)**
